---

Bexley Theatre Parents is a parent organization dedicated to helping make the theatre department even better. Theatre Parents supply food and water during long rehearsals, man the box office, flower station, and snack bars during productions, coordinate company parties, run fundraisers, fund scholarships, and bring in professionals for workshops, among many other things. Anyone can join Theatre Parents, even if you don't have a child in theatre!

You can join Bexley Theatre Parents for \$15 per year, or you can get a lifetime membership for \$100. To join Bexley Theatre Parents, fill out this application and return it, along with a check at a Bexley Theatre parents meeting.
